

PROFILE

My name is Inioluwa Nelson officially known as Inioluwa Ogunkunle. Innovative and result driven Developer and Designer with 3 Years Experience. Expertise in Front-End Development, UI/UX design and Microsoft Suite. Adept to collaborating with cross-functional teams to deliver scalable, user-centric solutions that drive business growth. Passionate about leveraging emerging technologies to solve complex problems and enhance user experience.

Quick learner with strong ability to adapt and acquire new skills on the job.

My favorite Quote is "TECHNOLOGY IS BEST WHEN IT BRINGS PEOPLE TOGETHER" – Matt Mullenweg
