Inioluwa Nelson O

UI/UX DESIGNER | FULL STACK DEVELOPER | AWS
CLOUD PRACTITIONER (INVIEW)

Creative and detail-oriented UI/UX Designer with a background in web development and a passion for creating intuitive, user-centric designs. Adept at translating user needs into visually appealing and functional interfaces. Proficient in HTML, CSS, and design tools such as Figma, with a strong understanding of responsive design principles. Currently pursuing advanced skills in AWS and full-stack development.

EXPERIENCE

UI/UX DESIGNER HMW1.
Nov 2024 - Jan 2024

Design and develop user-centric digital products, balancing aesthetics and functionality for optimal user experiences. Conduct user research and analysis to guide design decisions and create informed, effective solutions. Create prototypes and high-fidelity mockups using Figma, collaborating closely with developers to implement responsive and accessible designs.

BUSINESS DEVELOPER 234WEB RESOURCES
Oct 2023 – Nov 2024

Analyzed market trends and identified new business opportunities to expand company reach and revenue. Developed and maintained strong client relationships, leading to long-term partnerships and increased customer retention. Collaborated with cross-functional teams to create tailored business proposals and strategies that met client needs. Led presentations and negotiations that successfully closed high-value deals and contracts. Enhanced company presence through strategic networking and attendance at industry events.

UI/UX TUTOR CAREERTOUCH TRAINING HUB
Feb 2022 - Oct 2023

Taught UI/UX design principles and tools, providing mentorship and practical training to help students build strong design skills.
